REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

At North Augusta Elementary, we envision our school as a safe instructional environment where all students will have their individual needs, differences and abilities recognized, and will be challenged to excel in learning supported by a cooperative school community. As a 2012 Palmetto Silver Award recipient, NAE has demonstrated its ability to continue to maintain high expectations and provide an excellent academic program for all students through the support of all stakeholders including the administration, faculty, staff, students, parents and community.

Highly qualified teachers provide rigorous and engaging learning experiences throughout the year to challenge the learners and maintain their excitement about learning. Teachers also grow as learners themselves through monthly staff development learning opportunities in areas such as implementing the Common Core Curriculum and teaching writing across all subject areas.

All NAE students are given opportunities to participate in interactive school activities such as International Day, the Character Parade, Science and Math Day, Career Day and engaging grade level field trips.

With high expectations, innovative instructional strategies and a caring environment the administration, faculty, staff, students, parents and community of North Augusta Elementary will continue to "Believe and Achieve."
